Invitation Letter

Dear Dr. Lo Franco

It is my great pleasure to invite you to visit my research group at Federal University of ABC in São Paulo, Brazil on August 15, 2014. We also would like to invite you to give a talk about your recent research achievements. We hope that your time at UFABC will be very productive and successful. We look forward to welcome in São Paulo.

Please do not hesitate to contact me should you have any further queries regarding this invitation.

Sincerely,

Dear Professor,

This letter is to certificate that Dr. Rosario Lo Franco visited my research group at Federal University of ABC in São Paulo, Brazil on August 15, 2014. During his visit we could discuss several topics concerning quantum information science. Dr. Lo Franco also presented a seminar entitled "On the theoretical and experimental dynamics of quantum correlation resources in independent environments". The scientific interchange resulting of this visit was profitable for all members of my group including Ph.D. students and post-doctoral fellows.

Please do not hesitate to contact me should you have any further queries regarding the above mentioned visit.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Roberto M. Serra".
